

26 entrants

Lesley Freeman chosen Minden Carnival Queen

On Sunday afternoon January 20 at the Hyland Crest Auditorium a large crowd saw the selection of both Senior and Junior Carnival Queens and princesses in this Centennial Year of our County.

Music was provided by Pianist Willis McNeile, and Bill Hutchison, on the drums.

Master of Ceremonies was Earl Palmer who introduced the 26 entrants in the senior group and interviewed them.

Bill O'Brien was the lucky person to escort the young ladies to the stage and off again.

During the breaks while the Judge Bill Zaharuk was making his selection the crowd was entertained by Mrs. Jeenie Cooper singing, violinist Bob Schroter and

singers Janie O'Brien, her daughters and June Haskill.

Carnival Queen Lesley Freeman was crowned and robed by Sharon Hughes winner in 1973, and princesses selected were Laurie Kinsmen and Skip MacNabb.

Three finalists for the Junior Queen was chosen by Staff and Students at the Public School. From these Mr. Zaharuk chose as Junior Queen Karen Warburton, and princesses Carrie Clendenning and Marily Kinsman. Karen, too was crowned and robed by Sharon. This was a fine afternoon and excellent entertainment as well.

All the winning contestants will be seen during the many events of our Winter Carnival this week.

Haliburton Newsletter

Citizens of Haliburton are very pleased to have the opportunity of picking up the new Global T.V. network on Channel 2. The picture is coming through very clear and the programmes seem to be good.

Art Lee and Roy Howe have returned home following a visit to London, England. Art was visiting with his family there.

In a recent conversation with Bill Scott M.P. he informed us that he and his wife returned home recently from a trip to Cyprus. They made the trip with 30 other government officials and their wives. They travelled a distance of 8000 miles. Local people will be interested to know that their guide on the Greenline was Private G.A. Carr, son of Mr. and Mrs. W. Carr of R. R. #1, Haliburton who is in Cyprus with the 2nd Battalion Royal Canadian Regiment. The Greenline separates the Greek Cypriots from the Turk Cypriots.

In a recent advertisement in the Echo the Haliburton County Board of Education asked Snowmobilers to please not drive on the Victoria Street Elementary school property during school hours or close to the buildings at anytime. Several times an accident has been narrowly averted and the board is concerned for the safety of those using the school. From what we can learn the snowmobilers have paid no attention to this notice. Action will be taken if the snowmobilers keep on making it a practice to run their machines over this property.

Wheels are in motion for the upcoming Haliburton Winter Carnival which will be held on February 22-23-24. This year's Carnival will have many added features and each week we will try to keep you informed on the upcoming events.

Forest Products Day is scheduled for today (Jan. 31) at the Haliburton Highlands Secondary School. We have just been informed that an evening presentation has also been added which will be open to the public from 7 to 9 p.m.

Carnival was largest ever held in Minden

The Minden Winter Carnival is over for another year and what a success it was. Everything went off smoothly and the parade on Saturday was one of the largest the Minden Winter Carnival has ever had. Blessed by wonderful weather on Saturday people turned out by the hundreds to join in the fun and entertainment.

Following the parade the large crowd headed for the Minden Arena for the official opening of this beautiful new building. Reeve of the Municipality of Anson, Hindon and Minden Reg. Booth acted as master of ceremonies and special guest speakers were Bill Scott M.P., Glen Hodgson MPP and Murray Fearrey Warden of Haliburton County.

The Opening of Minden Centennial Winter Carnival was Wednesday evening. The dignitaries were piped to centre ice by Earl Cooper. Rev. Bushell gave the opening prayer. Introduced by Willis McNeile was Reg. Booth. Reeve, Douglas Pritchard Deputy Reeve, S. G. Nesbitt, Reeve of Stanhope Gareth Kellett of Snowdon, Early Palmer, Chairman of Carnival Queen Contest Ruby Windsor and Millie Windsor and Ron Wrightman of the Carnival Committee.

The Junior choir under direction of Shirley Colliss and Thema Ewing participated forming a Maple Leaf and singing several times.

Rev. Bushell escorted the Carnival Queens and Princesses to centre ice. Following their introduction Miss Sheila Harrison presented them with bouquets and Earl Palmer gave each their prize, money. This was a fine opening but one of the princesses Laurie Kinsman was introduced later -- wouldn't you know she had been held up by road conditions.

Winners of the Floats in the Parade were first Archie Stouffer School, second Stedmans, and third Rockcliffe Hotel.

Winning trophies for the Snowshoe Contest were Darlen Donilko time 3 minutes 20 seconds and Rob Revesz of Willowdale, time 2 minutes, 30 seconds.

There were many games of broomball and hockey during the weekend but during breaks our Figure Skaters displayed their talent. Wednesday evening seven senior skaters and the Pro did a dance routine with European Waltz.

Skaters were Susan Lear-

y, Louise Fleming, Lori Northey, Anne Campbell, Judy Trubull, Katie Leary and Allyson Ednie.

Friday evening Susan Leary did a solo routine followed by Janet and Terry Scheffee, pairs, (guest skaters from Fenelon Falls Club) and Kelly Beene did a solo number.

Sunday Katie Leary started with a solo followed

by dance routine again with senior skaters and the pair. The final number was Judy Trubull doing a solo.

Two people who appeared many times during the Carnival and who had worked behind the scenes were Ruby Windsor and Millie Windsor as they attended to much of the business end of our Carnival and accompanied the Queens

and princesses to events and everyone is very appreciative of their efforts.

Winners of the Money Prizes were \$300 Marie Colliss, \$150 Bev. Wood, \$75 George Hume, Orillia, consolation prizes of \$5 went to Mrs. Alvin Cowan of Haliburton, B. Hicks Lochlin, Bill Carley, Little Britain, Bradley McKnight, and Gerald Cox of Lindsay.

Mr. and Mrs. Burgess of R. R. #2, Haliburton are shown out with their family for a Sunday afternoon drive with their pony and cart. Mr. and Mrs. Burgess just recently opened up a new business in Haliburton under the name of The Pop Mart.

At ceremony Saturday

Minden Community Centre dedicated

The new Minden Community Centre was officially dedicated on Saturday, January 26, 1974 in an impressive ceremony attended by Federal, Provincial, County and Municipal Representatives.

Reeve Reg. Booth of the Townships of Anson, Hindon and Minden, acting as Master of Ceremonies introduced the thirty guests at Centre Ice. Congratulatory messages were made by Bill Scott, M.P., Glen Hodgson, M.P.P., and the new Warden of Haliburton County, Murray Fearrey.

The Highlight of the event was the introduction of the Special Guests, Jane Fairfield and Eleanor Walker, 95

years and 84 years young, respectively. Mrs. Fairfield and Mrs. Walker, sisters of one of the pioneer families in the County, cut the official ribbon opening the centre. Mrs. Fairfield delivered a message that was well received by the crowd in attendance.

The official opening was the culmination of three years of perseverance and determination by hundreds of people to raise funds for the new centre.

Those in attendance included: Reeve Reg. Booth, Deputy Reeve Doug Pritchard, Councillors Shirley Brandon and Al Coneybeare and Clerk-Administrator, Richard Parisotto; members

of the Recreation committee included: Norman Harrison, Chairman, Lloyd Harrison, Vice-Chairman, Members, Muriel Welch and Tom Prentice; Aubrey Burling, Contractor; Ronald H. Harrison, Engineer; members of County Council included: Warden, Murray Fearrey, Reeve, Gary Agnew, Reeve, Art Locke, Deputy Reeve, Doug Russell, Reeve, Bob Vick, Deputy Reeve Garth Kellett, Reeve, Sinclair Nesbitt, County Clerk Wynn Lahay; Ron Writthman, Chairman of the Carnival; Ruby and Millie Windsor, Secretary and Treasurer respectively and the Jr. and Sr. Queens and Princesses of the Carnival.

Centennial Corner

The Provisional County of Haliburton was created in 1874 from 20 townships of Peterborough and 3 townships of Victoria. Since that time there have been many realignments of boundaries, and the Provisional County of Haliburton now comprises ten municipalities which are listed with the location of their municipal office:

Anson, Hindon and Minden - Minden
Improvement District of Bicroft - Cardiff
Cardiff - McGillivray Road (County Road #9), R. R. #3, Bancroft
Dysart et al - Haliburton
Glamorgan - Gooderham
Lutterworth - Hwy. # 35 below Lutterworth Road (Box 176 Minden)
Monmouth - Wilberforce
Sherborne, McClintock and Livingstone - Dorset
Snowdon - Gelert (Community Hall), R. R. #1, Minden

Obituary

Elsie Sedgwick

Elsie May Sedgwick entered into rest on December 25, 1973 at the Ross Memorial Hospital in Lindsay in her 86th year.

Mrs. Sedgwick was born in Minden on May 23, 1888, the daughter of William George Gainer and Margaret Elizabeth Barton. Two sisters, Mrs. Evelyn Eastman of Richester, and Mrs. Madeline McKnight of Minden, are the remaining members of the Gainer family. Mrs. Sedgwick was predeceased by two sisters, Helen and Kathleen, and by four brothers, James, Charles, Wesley and Bert.

In 1909 she married James A. Taylor of Minden and moved to Twelve Mile Lake, where they lived until his death in 1952. Two sons, Phillip of London, and Keith of Toronto and five grandchildren survive.

In 1956 Elsie was remarried to the late

William Sedgwick who predeceased her in 1969. They lived in Cameron and Lindsay, spending most of their summer months at Twelve Mile Lake, where Mrs. Sedgwick visited in September last.

She was a wonderful friend and neighbour, and will be greatly missed. She was a member of the United Church.

The funeral service was held from the John Welch and Son Funeral Home, Minden, on December 28, 1973, with Rev. J. A. Johns of Lindsay Cambridge Street Church officiating. Interment was in the vault of Ingoldsby until spring when there will be interment in United Church Cemetery, Twelve Mile Lake.

Honorary pallbearers were James Taylor of Lindsay, and Wilbert Gibbs of Maple Lake. Pallbearers were Earl Crawford, Roy Kernohan, Holly Kernohan, Murray Schultz, and grandsons, Ronald and Peter.

Teachers meet to discuss Bill 274

On Monday January 28 an information meeting for all the teachers of the county was held in the Senior Elementary School in Haliburton.

The meeting was called to provide more up-to-date information about the Bill 274, which resulted in the walkout of most Ontario teachers in December, and Bill 275 which has yet to be debated in Parliament.

It was found that Bill 274 is "emergency Legislation" designed to prevent the resignations of teachers in certain areas of the Province from taking effect.

In many cases the difficulties in negotiations for contracts were increased

by the ceilings on spending placed by the Ministry of Education.

The teachers' federation feels that by suspending the resignations the Ministry of Education is at best interfering with negotiations and at worst taking away the right to resign.

Another aspect of Bill 274 that concerns the teachers is the fact that for the compulsory arbitration which, according to the Bill, must occur, the chairman is appointed by the Department of Education if the two parties involved cannot agree on a suitable one.

This chairman decides any problem that the other two members of the Board of

Arbitration cannot agree upon.

Consequently, the Ministry of Education will in all probability become the settler of the thorniest problems, thus taking those decisions out of the hands of the board and the teachers.

Another point made at the meeting was that many labour and professional groups such as the Ontario Federation of Labour, the Ontario Medical Association and others feel that this Bill 274 set a bad precedent which could be applied in any labour relations area in the province.

These are some of the reasons teachers have been upset about the bill.

At the moment Bill 274 has not been passed but the Ministry will have the provincial parliament recalled to pass the bill if all the board areas are not settled before the end of January.

On the other hand it was pointed out that Bill 275 has not yet been debated in the house and is still in the process of being revised. Some of the revisions proposed by the teachers were pointed out but no concrete conclusions about the acceptability of Bill 275 was reached.

Mrs. Stubleby of the Ontario Federation of Women Teachers was the guest speaker.

Jets beat Huskies 4-2

Bancroft's Jets proved that the first place Haliburton Huskies, of the Central Ontario Junior D Hockey League, are not untouchable.

Jets dumped the Huskies by a score of 4 to 2, as they matched skills in Haliburton last Saturday night.

The on-the-road victory tallied only half of the Jets' weekend success -- the hometown club walloped the Bobcaygeon Ti-Cats 9 to 3 in Bancroft on Sunday.

While playing Haliburton on Saturday, the Jets started scoring late in the first period. Neuman scored the Jets first marker at 14:13, unassisted. Thirty-seven seconds later Siydock scored Bancroft's second

goal. Bruce Johnston drew the assist on the play.

E. Bain countered for the Huskies at 18:47 with Wood and Henry drawing the assists.

Bruce Johnston started

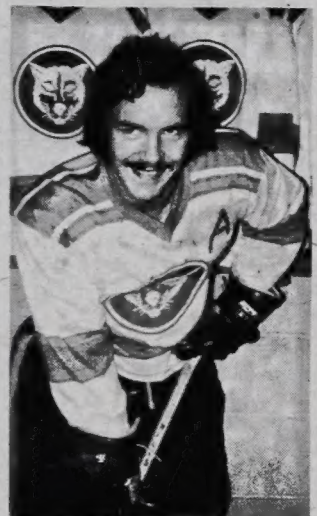

the second period scoring at 12:55 with help from Rodgers and Siydock. One minute later Bronson rallied and dumped in Bancroft's fourth and final goal. Robbins and Hawley drew

assists.

Finally in the third period R. Bain scored for the faltering Huskies with Robinson picking up the assist.

Rich Wood - #3. The Huskies captain - plays centre leads the league in assists. Rick is playing in his last year of Junior Hockey.

Jamie Carroll - #4. The Huskies rushing defenceman, excels at killing penalties. An exciting hockey player who gives his best in every game.

Louis O'Hara - #1. The Huskies No. 1 goaltender #1 contender for the Junior "D" league goal tenders award.

Peewees win tournament

The Haliburton H.M.H.A. Pee Wee's are to be congratulated on their great showing at the Pee Wee Tournament held at Gravenhurst on Saturday.

At the end of regulation time in the first game the local team were tied with Keswick 2-2, but lost the shoot out.

We are very pleased at this time to once again congratulate the Haliburton Pee Wees their coach Albert LaRue and their manager Howard Roberts for winning the sportsmanship and good conduct team trophy for the tournament.

We thought you would be interested to know the players on this team: Craig Wood, Keith Smith, Roger Hicks, Brian Lloyd, Phillip Smith, Mike Rae, Chris Hodgson, Bernie Nicholls, Scott Jackson, Mike Iles, Kevin O'Hara, Joe Roberts and David Shapeira.

Scout, Cub leaders discuss programs

On January 19 and 20th at the Legion Hall. Scout Leaders and Cub Leaders from Haliburton and Minden as well as Legion Committee members met from 9:30 to 3:30 to discuss, improve and exchange ideas concerning their Scouting programs.

To lead the discussion for Cub Leaders was Don Moore who represented our Provincial District out of Cobourg. Also from our Provincial District was Dick Girardin who led the

discussion with Scout Leaders and Committee members during both sessions.

Those present from Haliburton were Scouter Ed Whiteway, Cub Leader Terry Barnum, and committee members Les Roberts and Dennis Baker. Minden was represented by Cub Leaders Mike Legge, Don Blakey, Joan Pearson and Scout Leader Wally Brown. Also present for Saturday was Miles Roberts.

During the two day

session many topics concerning scouting were discussed. These included Aims and Principles, History, Community Resources, Scouting Resources, Hiking and Camping. The Promise and Law, Ceremonies and finally Badges and Awards.

Lunch was provided on both days by the Legion.

On Wednesday, Jan. 23, and Thursday 24, a work party consisting of Walter Webb, Lenard Salvatori, Grant Scheffee, Howard Roberts, Ed Fugar, and Grant Rae went to the Scout Hall to make needed repairs on the door, equipment boxes and windows. The floor was also repainted.

Much thanks goes to these men for their time and effort.

Small loans given equal attention

\$5,000.00 loans are given just as much attention as a loan for \$100,000 stated Mr. K. W. Bolam who addressed the Rotary Club of Haliburton at their regular meeting last Thursday night.

Mr. Bolam is the manager of the Oshawa Branch of the Industrial Development Bank. He spoke on the various services and structures of the bank and explained the financing program of the I.D.B. The bank was started in 1944 for long term financing of small size businesses.

Mr. Bolam in his address

pointed out that the future earning power is always investigated in the financing of a business and that when funds are not available elsewhere at reasonable terms the I.D.B. in most cases can help.

Mr. Bolam has had some eleven years service with IDB and prior to his present appointment he was manager of the Kitchener-Waterloo office of the bank.

The talk was followed by an interesting and sometimes heated question and answer period when the members were given the

opportunity to throw questions at the speaker.

In his closing remarks Mr. Bolam stated that it was one of the most interesting meetings that he ever attended. He was introduced by Mr. Gerald Dawson and thanked on behalf of the club by Murray Fearrey.

Minden OPP report

The Minden Detachment of the Ontario Provincial Police reported a very busy Carnival Weekend.

On Saturday, January 26, at 5:45 p.m. Brant M. Bush of Willowdale was driving north on Highway 35 when he lost control of his car while negotiating a left curve 1.7 miles north of Carnarvon. Bush, and his passenger, Peter McLaughlin of Willowdale sustained cuts. The Bush car rolled three times and landed in the snowbank in the west ditch. Damage to the roof, windshield, left front, right front door and fenders amounted to \$1,500.00. Provincial Constable Ladurantaye investigated.

On Saturday, January 26, \$2,600.00 damage was incurred when a pick-up truck driven by Ronald McKelvey of Minden collided with a car driven by Richard Nimigon of Haliburton. The McKelvey vehicle was southbound in the centre of the Old

Bobycaygeon Road when it struck the Nimigon car in the northbound lane. The investigating officer was Provincial Constable M. J. Maher.

Two minor accidents totalling \$545.00 in damages were also reported.

Three words; not much of a mouthful but it says a lot about Schwandt's Homecare Building Centre. With today's inflation it's almost impossible to find any business that delivers all three. Some places advertise low prices: but you sacrifice selection and service. You know the kind of place we mean. Schwandt's offers all three. You can bet on it. And that's really a mouthful. Try us for all of your building or redecorating needs. You'll find that just three words really say a lot.

Dogs, snowmobiles are killing deer

For the first time in the history of the Lindsay district 3 deer kills due to collision with snowmobiles have been recorded.

Of the three incidents investigated by Conservation Officers two were accidents resulting from the machines travelling on concession roads at night and the deer crossing the road in front of them. The third, still under investigation took place in an open field. Charges are pending in this instance.

Owners of snowmobiles must be reminded that under the Game and Fish Act no person shall use a snowmobile for the purpose of chasing, pursuing, worrying, molesting, killing, injuring or destroying any animal or bird, and it convicted will be subject to the confiscation of the snowmobile and a heavy fine.

DOGS AND DEER

As you sit by the fire with your favourite hunting dog at your feet reminiscing about your past fall hunt with your dog; and he whines to go out and does not return until the next morning. Do you know where he's gone? Or as the children play with the family pet before catching the school bus to attend school for the day and the dog is gone for the rest of the day. Are you concerned where he might be? Each year as the snow depths increase the deer collect in historical yards for food and cover. Each year these same dogs enter these areas to run the deer.

It is not known how many deer succumb to the slashing fangs of your pets and hunting companions but it has been estimated that deer deaths due to dogs approaches the same as the harvest for a two week hunting season.

Each week many calls are received at the Lindsay Office with people complaining of dogs running deer. It states in section 77 subsection (1) that no person owning, claiming to own or harbouring a dog shall allow it to run at large during the closed season for deer in a locality that deer usually inhabit or in which they are usually found, and a dog found running deer in such a locality may be killed on sight by an officer without incurring any liability or penalty therefore.

We therefore recommend to all dog owners that they keep their pets tied up or on a leash when walking them.

A Tale of a Trail

Composed by Roy Bates, January 18th, 1974.

It was on Sunday morning, ten-thirty or so
When we met down at Emmerson's, ready to go
With snowmobiles, lunches, a battered tea-pail,
To check out conditions along the "Tri-Trail"
The first stop was made up along Outlet Bay
To wait for the stragglers, Joe Blair and Kay.
Then we sent on Pat Hucal, Pat Kennedy, too,
To break a track on Drag Lake for the rest to get through.

Slush patches were many, but here Lady Luck
Rode right along with us and no one got stuck!
Said the leader, " 'Twill freeze now and make a good track."
And he took off for Richie's without looking back.
But Richie's was by-passed for no reason, except,
A road was plowed 'round it, and to it we kept.
From the Peterson, Northward, the trail was well-packed.
It was fresh-cut, and no sign of slush in the track.

Quite frequently Joe stopped to nail up a sign,
While others were swigging from Jean's jug of wine.
At South Bay we took to the road behind Bill,
And then stopped for coffee at Fort Irwin Grill.
All tanks were topped off at Freeman's, before
The eight riders set out on the Tri-Trail once more.
And 'twas soon after this Huck took a sashawy,
And Kennedy helped him get back under way.

Near Wahoo, the leader, Roy led them all
Away up the creek to a neat waterfall.
And there by a Trapper's camp settled the bunch
To heat up and eat what they'd brought for their lunch.
There was beans, and hamburger, and chili, and stew,
All tasting like steak as all such picnics do.
Then with garbage all gathered and back on the way,
Everyone's happy. A peach of a day!

At Miller Lake, Bill took the lead with a rush,
Until near the far shore he was stuck in the slush!
He waved and he hollered. The rest turned about
And stopped just in time to keep themselves out.
And when we walked over to give Bill a hand,
He said, "There's some slush here. I'm stuck, so I am."
Winding up his Six-Forty, old Huck made a dash,
And skipped on across without even a splash!

How the girls made it I'll never know!
They were plucky, or lucky, but fear didn't show!
We stopped for a breather on Redstone's fair shore,
And checked that lake over for slush, and found more!
What to do? Can't go on, for we've run out of time.
Can't go back, there's too damn much slush on the line.

Pick our way off of Redstone, and hit the highway?
And head home by Harburn? And call it a day?

But that's not as easily done as it's said!
There's still plenty slush in the way up ahead.
Poor Cheryl got stuck in it. Pat helped her through.
And Huck blew a drivebelt on his new ski-doo.
Each snowmobile's crusted with ice and with snow.
Some filled up completely and tracks wouldn't go.
But we get them all cleared, and we reach solid ground,
And riding on highway we're soon homeward bound.

Now I'm not a Road-Runner, so this I must say,
We need something done about trails right away.
Snowmobilers, get with it, and lend us a hand
To get more trails routed to run overland.
Half a season goes by before lakes can be ridden
And even then, often grave dangers are hidden.
'Neath a layer of snow the ice may be thin!
And each year too many good people go in!

The H. C. S. A. 's doing as much as it can,
But it needs the support of each woman and man.
When all get behind it, I'm sure you will see,
We'll begin to influence The Powers That Be.
Down in Queen's Park they've got oodles of dough
That they've taken from you and from me. Don't you know
If we all pull together no way can we fail
To get some of it spent on our snowmobile trails.

Letter to the editor

To the Editor:

I am glad to see the stand that the County is taking on the wolf bounty.

Some people say that a wolf kills only the old or crippled deer. I don't believe this. They will kill the first one they can catch. I have had many meals from deer killed by wolves, and they weren't old ones.

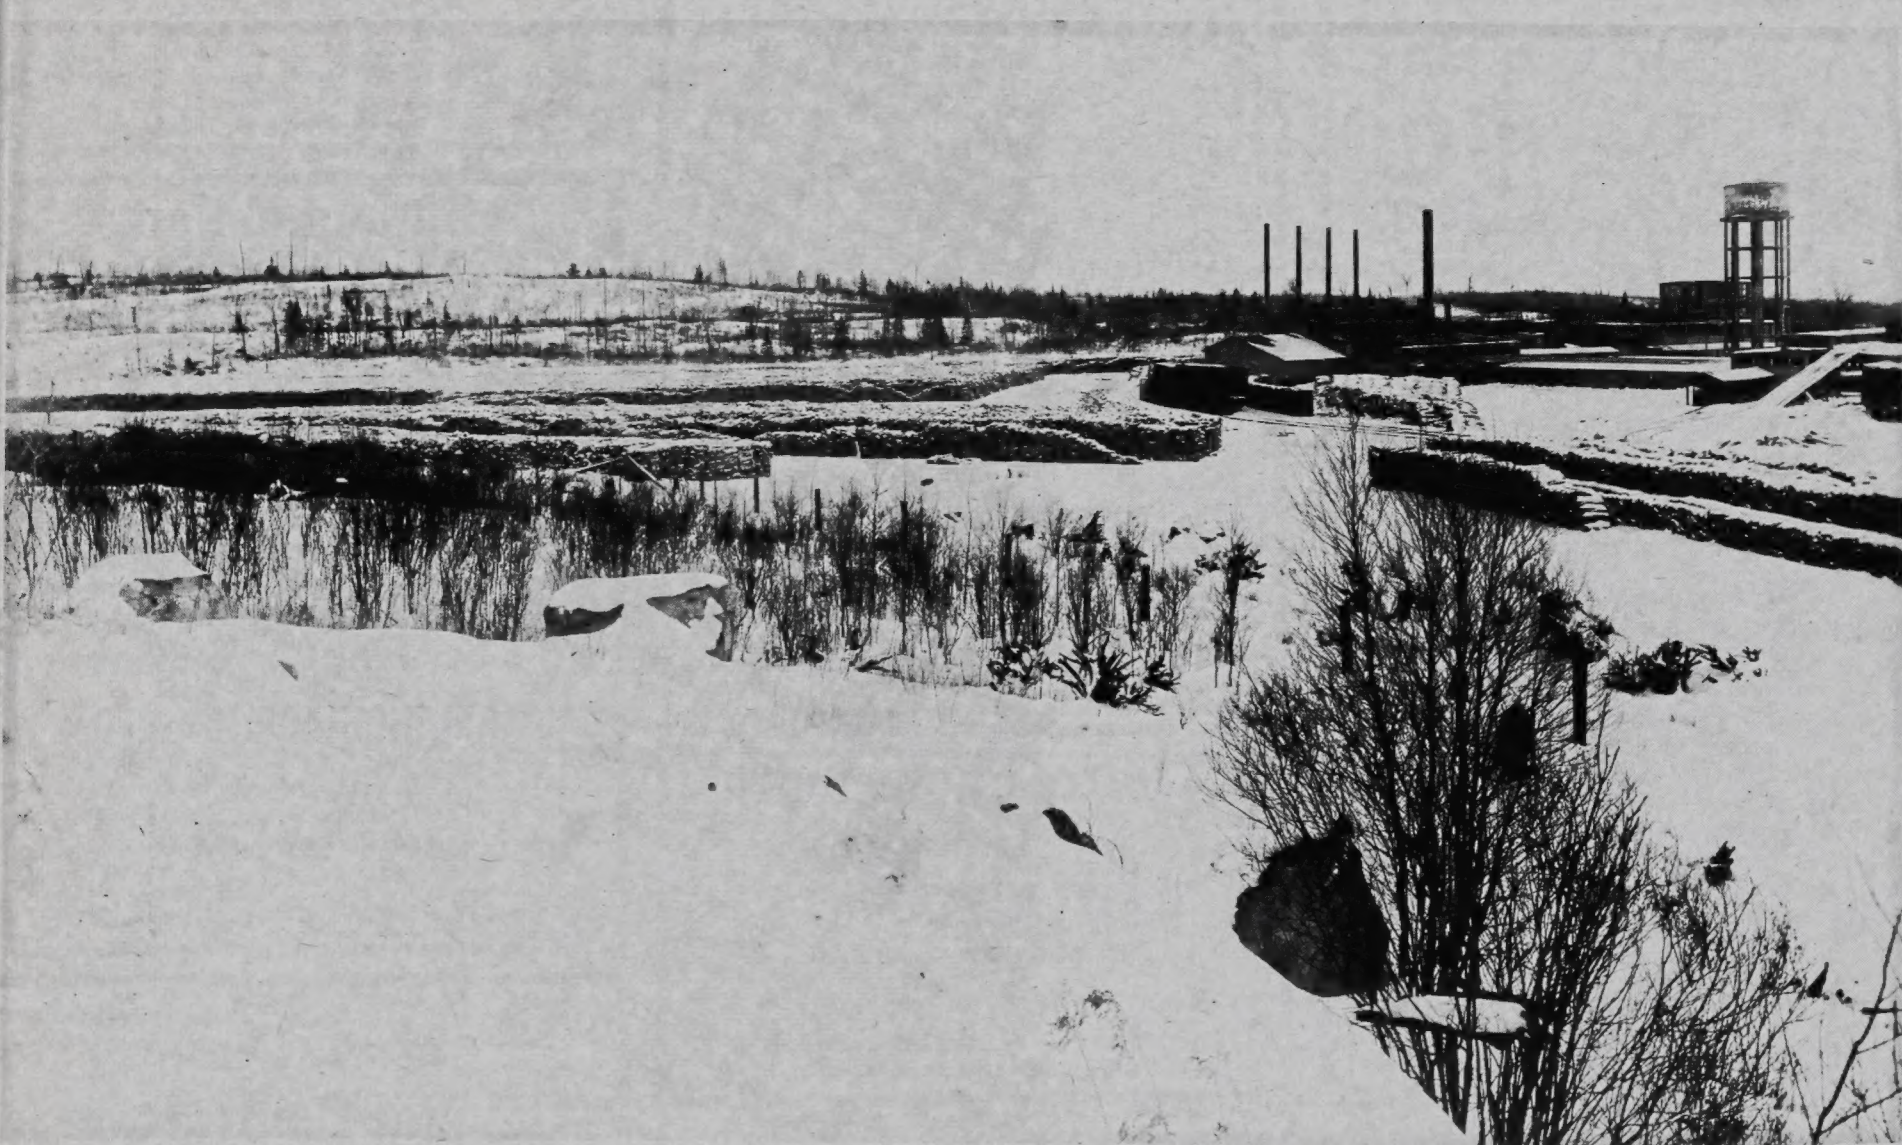

My father and I were having dinner in the bush one day when a deer flew by jumping about forty-one feet every time. The wolves probably scared off by the smoke didn't come by us. If that deer was old or

crippled, I don't know how far a young one could jump.

At our bear hunt at Kennissis Lake, the wolves got as much bait as the bears did. And I know of five wolves that were seen and not shot at last hunting season because there was no bounty.

It seems to be a good idea to feed the deer in the winter. But it is cruel to tag the doe when she is heavy with fawn and having trouble getting through the deep snow.

Yours truly,
Elmer Sawyer.

Pic of the Past

Our Pic of the Past this week is a picture of the old Standard Chemical Plant at Donald taken in 1915. The piles of cordwood shown on the plant property was drawn into Donald by horse and

sleight from all parts of the county. In later years trucks were used to transport the cordwood. When the plant was in operation over 40 cords were used in a day. Charcoal, Wood Alcohol and

Acetate of Lime were produced at the Standard Chemical. Our thanks to Frank Hodgson of Haliburton for letting us use this photo.

WE SHOULD HAVE
FILMED IT FOR TV

BILL SMILEY

You'd think the Smileys could have one tiny grandchild with no more than the usual anxiety and expectancy.

Not a chance. They had to turn it into a three-ring circus.

Just about the time the wee lad was due to arrive, I provided the first ring. I racked up my car. Not seriously. Just enough so it couldn't be driven. It was during the holidays, and between these and relentless storms, day after day, the repairs took twice as long as they would have normally.

No transport. But we had to be there when his nibs arrived. It's a hundred miles away. Result was a nightmare of taxis and buses.

There's nothing more dismal than riding a bus in mid-winter. It's either a super-modern one, with the heat turned up so that you are gasping for breath and sweating like a wrestler, or it's an old-timer, with no heat and a draft that would freeze the brains of a brass monkey coming in around the window.

There's nothing more frustrating than waiting for a cab. It's no problem down-

town in the city. You can flag one down on the street. But when you are in a remote suburb, you'd be better off with a dog team. We waited 55 minutes for a cab one night, after five phone calls, on each of which I was assured "He's on the way", a pure and downright lie.

My daughter, true to family form, provided ring two of the circus. I'm only glad I wasn't there, or you'd be reading my obituary instead of a column this week.

She began getting signs that the little stranger was developing claustrophobia and wanted to see the light of day. Nothing violent, but enough to send my wife into action, with all guns.

"Hang on. We'll be right up." Up meant up to the university apartment where she and her husband are living. It's right out in the country and a brute to get at, unless you have a car.

My wife commandeered my brother-in-law, and he drove her there. Naturally, the young couple doesn't have a car.

Potential Granny dashed into the building, and was just starting up on the ele-

vator, when she heard a disembodied voice asking, "Is there anyone there?"

She was more than a little startled. It was the voice of her son-in-law, and it seemed to be coming out of the walls.

It was. He and my daughter, the pregnant kid, were stuck in the adjoining elevator, between floors. They weren't stuck because she was pregnant, but because the elevator had ceased to descend. They'd been on their way down.

Well, how does that grab you, as melodrama? It's like something you'd see on one of those medical series on TV.

If I'd been there, I'd have fainted dead away and been carted off. My wife is made of sterner stuff. She can get hysterical about a cat crapping on a carpet. But when it comes down to real trouble, she's right on.

And my brother-in-law is a great man in a crisis. He posted my wife where she could talk to the two kids trapped in the elevator. Then he rounded up the troops: security guards, superintendents, and electrician.

They tried everything. A

half hour passed. Nothing. An hour. Nothing worked. They called the elevator company. It was New Year's Day. A recorded message. Tension grew. It was like a wake. Pregnant woman trapped in stalled elevator.

After nearly an hour and a half, my son-in-law, one of the trapezees, had an idea. There was a small space at the bottom of their elevator car, but Kim, with her bulging belly, couldn't get through it. There was a little more room at the top.

If they could get through, from one elevator car to the other, maybe...

The rescuers found a panel between the elevator cars. It was removed. The electrician was skinny. He was hoisted up and crawled through the hole. A ladder was hoisted and passed to him. Silence.

After a few minutes of this, the rescuers started pounding the wall and shouting. No answer. Panic. They were just about to call the fire department when the kids and the electrician walked down the stairs, into the lobby.

Using the ladder, they had climbed out of the elevator and crawled through

that just-big-enough hole, onto the second floor.

Needless to say, joy reigned supreme. Laughing and hugging and kissing.

Nobody had gone haywire in a nasty situation. The kids had not panicked. In fact, Kim sat on the floor and almost went to sleep. My wife kept her head, through an hour and a half of mental anguish. My brother-in-law came out feeling like Horatius at the bridge.

Well, all turned out fine. But the third ring of the circus was supplied to my wife. First day the baby was home, she was going up to see him, and her own child.

A young woman had thrown herself in front of a subway train, and it took my wife three hours to get there.

Why can't we have a grandchild without all this fooferaw? Oh, well. At least, the first time he crosses the border into the States, when he's about sixteen, and one of those snarly U.S. immigration officers says, "Where were you born?", he won't have to answer, "Duh, in an elevator."

Along The Trails

The first HCSA dance party came off an unqualified success. Social chairman Pat Hucal went all out in his preparation and publicizing for the event - and it paid off. The Legion hall was packed to capacity. The Rythm Aires played well, and everyone had a good time.

At the party Huck was ably assisted by Joe Blair, Bill Emmerson, Don Johnston, Kay Wyllie, Jean Bates, and Brenda Gow. Ed Fugar was Sargeant at Arms. Many Thanks to all these who gave of their own fun time for the enjoyment of others. Another party is tentatively scheduled for March 9.

Found another snowmobile club. When I dropped into Bayview Birches Restaurant one day recently Mrs. Dodd told me of a group of teenagers who have organized the Haliburton Lake Snowmobile Association. Snowmobilers in that area should give these young people every encouragement and support.

Activity has been stepped up in the HCSA trail improvement program - and about time. Very poor lake conditions have kept the equipment off most of our trails. Also, there seems to be an acute shortage of manpower for the weekdays, when the equipment can be most effective. With lakes improving gradually we are venturing out more, and when the ice is judged "safe" much more work can be done at night. The longer trails are left, the harder they are to groom, but we are still very hopeful of giving you a smooth ride this winter. Don't think snow. Think frost.

Next big Association event will be the Second Annual County-Wide Rally. Final preparations are still to be made and will depend to some extent on weather and trail conditions. The date, February 10. The meeting place, Red Pine Lake, on the Tri-Trail northwest of Kenisis. This is nothing more than a monster winter picnic. Bring your own food and choose your own route. Watch for a final announcement in this column next week.

Again I urge extreme caution when riding on roads. And watch out for slush on the lakes.

Found: one snowmobile mitt, black with yellow stripe, along the trail behind Donald recreation centre. Small person with cold left hand may claim same at my house. Phone 457-1658.

NOTICE

TOWNSHIP OF

ANSON, HINDON AND MINDEN

At the request of the Council of the Township of Anson, Hindon and Minden, the Ministry of the Environment has investigated the possibility of providing sewage works facilities and installing within the Township of Anson, Hindon and Minden, a sewage works project to be owned and operated by the Province of Ontario, which will provide all the built-up areas of the Township with sewage service. It is now proposed to construct such works at an estimated cost of \$1,972,131, of which an estimated \$1,479,097,

or a rate of 75 per cent of the estimated gross capital cost, will be provided by the Province of Ontario as a financial subsidy. For services provided for these works, it is proposed to impose an estimated service rate of 104.2 cents per 1,000 gallons of sewage accepted from the municipality, together with the frontage rate and connection charge as set out in fourth paragraph hereof. The installation of sanitary sewers to be constructed as follows:

The Secretary is to complete a report on proposed ventilation at the earliest date.

74-9 M. Welch-R. Parisetto: that this meeting now adjourn. Time: 9:55 P.M.

together with sewers from the main sewers to the lot lines, sewage pumping stations, forcemains and treatment facilities.

It is proposed to raise the necessary annual revenue for the Provincial sewage works as follows: a frontage sewage rate of 20 cents per foot per annum on all lands which front on, abut on or connect to the sewers described above, a connection charge of \$20.97 per annum on owners or occupants of lands for which a sewage service connection to the sewers is provided, a 218 per cent surcharge on the water bill of domestic users of the system, and a surcharge of not less than 218 per cent on the water bill of commercial and industrial users of the system. In instances where there is a connection to the proposed sewage works but there is no connection to the water works, the charge for sewage service normally recovered by the water bill surcharge is to be recovered by the imposition of an annual foot frontage rate of \$95.92 divided by the lot frontage on the owners or occupants of such lands.

This foot frontage rate does not reduce or eliminate any other frontage rates imposed on properties for sewage or water works.

In computing the frontage charges, provision shall be made for the exemption or partial exemption from a foot frontage rate and for the determination of such exemption or partial exemption in the following manner:

- (a) A reduction in the case of corner lots at the junction or intersection of streets of the first 100 ft. of the flankage and a reduction or increase in the case of triangular or irregularly-shaped lots may be made in the foot frontage rate that otherwise would be chargeable thereon, sufficient having regard to the situation, value and superficial area of such lots as compared with other lots, to adjust its frontage charge on a fair and equitable basis.
- (b) Where a lot is for any reason wholly or in part unfit for building purposes, a reduction may be made in the foot frontage rate that otherwise would be chargeable thereon sufficient to adjust its frontage charge as compared with that of lots fit for building purposes on a fair and equitable basis.

- (c) Where a lot, other than a corner lot, has two limits that abut on streets described above, and the size and nature of the lot is such that any or all of the works in such streets are not required, a reduction in respect of the works that are not required, so long as they are not required, may also be made in the foot frontage rate that would otherwise be chargeable thereon, sufficient to adjust its frontage charge on a fair and equitable basis.
- (d) In the case of lots that because of the nature of the terrain or the elevation of the sewer, do not derive the same benefit as other lands abutting on the sewer, a reduction may be made in the foot frontage rate which otherwise would be chargeable thereon, sufficient having regard to the benefit derived, as compared with other lots, to adjust the foot frontage rate on a fair and equitable basis.
- (e) The reduction shall be made by deducting from the total frontage of the lot liable to the annual foot frontage rate so much thereof as is sufficient to make the proper reduction, but the whole of the lot shall be charged with the annual foot frontage charge as so reduced.

On the basis of these levies, a home connected to the water works, and having a frontage of 80 feet, would pay the following amounts annually after connection has been made to the proposed sewage works.

80 foot frontage @ 20 cents	\$ 16.00
Connection Charge	20.97
218 per cent surcharge on \$44.00	95.92
Total:	\$132.89

A home not connected to the water works and having a frontage of 80 feet would pay the following amounts annually after connection has been made to the proposed sewage works:

80 foot frontage @ 20 cents	\$ 16.00
Connection Charge	20.97
80 foot frontage @ \$95.92/80	95.92
Total:	\$132.89

The connection charge may be prepaid in the calendar year in which such sewage service connection is installed at a cost of \$250.00.

The frontage charge may also be prepaid in the calendar year in which such sewage connection is installed at a charge of \$2.38 per foot.

Any ratepayer may, within twenty-one days after the first publication of this notice, send by prepaid post to the Clerk of the Township of Anson, Hindon and Minden at the address given below, a notice in writing stating his objection to such approval or to the imposition of the sewage rates. The Ontario Municipal Board may approve the entering into of an agreement between the Township of Anson, Hindon and Minden and the Ministry of the Environment with respect to the provision of the sewage service and may approve the imposing of the sewage rates but before doing so it may appoint a time and place for a public hearing when any objections will be considered, but notice of such hearing will be given only to those persons who have given notice of objection as provided for above. Plans may be inspected at the office of the undersigned during business hours.

DATED AT MINDEN and first published this 31st day of JANUARY, 1974.

Hall's Lake News

By Doreen Stinson

Mr. Edwin Hewitt has gone to spend the winter with his friends, the Thurstons, at their farm in Bobcaygeon. Eddie loves to be around horses and cattle and helps with the chores while enjoying the warmth of a friendly home.

Mrs. Louise Watson and Mrs. Marge Ferguson are leaving to spend a few days in Toronto.

Our Community was shocked and saddened by the passing of Mr. Lawrence Wheeler. Mr. Wheeler and his wife built a lovely home on Kushog Lake and had lived in it about two years. St. Stephen's Church will miss Larry as he was Deputy Warden and a good worker. Our sympathy goes out to his wife and family.

Mrs. Audrey Wilkinson spent last week-end with her niece, and her husband, the Flemings in Bancroft.

Club 35 Members held their monthly meeting on Monday evening and plans were discussed regarding a Valentine Fun and Games Night for February 16. A donation was voted on for the Minden Red Cross Hospital and a drive for New Members discussed. Euchre Parties each Monday evening could be better attended by members and friends. Come along and have some friendly relaxation.

Slush on the ice is making it difficult for snow machines and they are better off staying to overland trails. Mr. Jennings has maps and membership information for people in this area and you will find him at Sandy Lane

Resort.

The Ladies of St. Stephen's Guild have reported a very interesting and worthwhile list of accomplishments for 1973, among which they have adopted a little girl in India whose name is "Dawn Adams". Several pairs of ice skates have been sent to Canadian Indian children in the Red Deer Reserve, a generous donation went forward to the Primate's World Relief Fund in Africa, and another donation to a Missionary in Nigeria. They wish to

sincerely thank all those who assisted them in any way to make these contributions. I might add that these ladies keep St. Stephen's Church clean and decorated, arrange the flowers, plant flowers each spring and generally help with the upkeep of this beautiful little church on the Buckslides' Road.

Mrs. Hazel Welch is a guest of Mrs. Mary Oliver this week-end. Mr. & Mrs. Earl Cooper and family are also guests of Mrs. Oliver, for Saturday evening.

Mrs. Jean Wheeler has gone to spend a short while with her daughter Sally in Windsor and while there will be having her medical work attended to.

Mr. & Mrs. Garth Mole are spending this week-end with Laura and Bill Mole. Laura is recuperating after another trip to the Peterborough Hospital. We wish her a speedy recovery.

Mr. and Mrs. Jack Calver of Toronto have sold their cottage here on the Lake but we hope they will still come up to this area once in a while. The Calvers owned

We had a lot of carnival visitors this week end, Mr. & Mrs. Rogers and family from Oshawa, Miss Carol Rogers from Hamilton, Janice McKay, Laurie McKay and friend, Mr. & Mrs. Ron Nelson and family and friends from London.

A number of our younger folks were home from university, Bob Chambers, Wendy and Patricia Gorre.

Mrs. Alice Smith of Toronto visited with her daughter Mrs. Robb.

Mr. and Mrs. Irvine visited with their daughter and family Mr. & Mrs. Frank Chambers.

Rev. Edmonds and his family were at their cottage for the weekend.

Mr. & Mrs. Bert Harrison were in Cannington for a few days, to visit with Mr. John Gibson who is in Lindsay hospital.

We are pleased to say that Clayton Rogers is back home again from the hospital, and we sincerely hope that he

will soon be well again.

Our deepest sympathy is extended to Mr. & Mrs. Clayton McKay in the loss of their son-in-law, husband of their daughter Jean.

We express our sympathy to the families of the young folks who were killed last weekend in a snowmobile accident. Laurie Bacon and Sterling Hewitt.

This is carnival weekend and we expect a lot of summer folks up for the big event.

Haliburton County Council meeting

All members of County Council assembled in the Council Chambers at 10:00 a.m. Wednesday morning, January 16th, 1974. Warden Murray Fearrey called the meeting to order.

That the minutes of the meeting of December 19th, 1973, be approved. Carried. Report on Business Arising from Minutes: - Additional details of County Crest requested from Haliburton Museum in Windsor, Nova Scotia.

Representative from Ministry of Treasury, Economics and Intergovernmental Affairs to attend Council for

discussion of local government restrictive policy in February.

That By-law 877, having been read a First time, be considered read a Second time, being a by-law to regulate advertising devices adjacent to County Roads. Carried.

Copies of By-law 877 had been circulated for study by municipalities, and the Third reading was deferred. A small delegation was in attendance with Mr. Jim Cooper speaking to Council, on behalf of the Haliburton-Victoria Real Estate Board, relative to signs in the function of their business and their mistaken impression of some aspects of By-law 877.

That By-law Number 876, having been read a First Time, be considered read a Second and Third time, passed, signed, and the Corporate Seal affixed, being a by-law to regulate the placing of gasoline pumps adjacent to County Roads. Carried.

Chairman of the Steering Committee, Mr. Gary Agnew, commented on the report of the Steering Committee which read as follows:

We, the Steering Committee, recommend the following slate of members for County Committees for the year 1974:

FINANCE: R. Booth, J. Howarth, G. Kellett. BUDGET: S. Nesbitt, G. Agnew, R. Fotheringham. CORRESPONDENCE: K. Tallman, D. Pritchard, L. Walker.

HYLAND CREST SENIOR CITIZENS' HOME: D. Russell, R. Beeney, R. Vick, J. Harrison, R. Booth. HEALTH: G. Agnew. PROPERTY: N. Locke, L. Walker, D. Pritchard.

EMERGENCY MEASURES ORGANIZATION: D. Russell, D. Pritchard.

LOCAL GOVERNMENT & GOVERNMENT REALIGNMENT: S. Nesbitt, G. Agnew, J. Howarth, R. Brohm, A. Lock, M. McGillivray, R. Fotheringham, R. Vick, R. Booth, R. Beeney.

LIBRARY BOARD: K. Tallman, R. Brohm, N. Locke.

CHAMBER OF COMMERCE & HALIBURTON COUNTY ECONOMIC DEVELOPMENT COMMISSION: K. Tallman, G. Kellett.

CHILDREN'S AID: N. Locke.

ROAD COMMITTEE: M. McGillivray (term of one member expired Dec. 31, 1973). R. Fotheringham (reinstated to complete 5-year appointment to December 31, 1975).

LAND DIVISION COMMITTEE: C. Stoughton, L. Hodgson, H. Campbell. (term of three members expired Dec. 31, 1973).

COUNTY CENTENNIAL COMMITTEE: G. Agnew, J. Howarth, A. Lock, R. Brohm, R. Beeney. Steering Committee: G. Agnew, S. G. Nesbitt, R. Fotheringham.

The functions of the Emergency Measures Organization were discussed, and Council requested arrangements for Mr. James Hall, Co-ordinator, to attend February Session.

Be it resolved that a motion of non-confidence by tabled today in the County Steering Committee by the Municipality of Anson, Hindon and Minden, and further that certain committee designations be set aside as unfair to the interests of the above noted municipality. Motion lost.

That the Steering Committee's recommendations be accepted. Carried.

Mr. Reg. Booth, Chairman of the Finance Committee, reported that the Finance Committee had met January 15th and examined the accounts and found everything in order.

That we approve payment of accounts for the period ending December 31st 1974, in the amount of \$22,100.03, representing cheques numbered 550 to 638 inclusive; and for the period from January 1st to January 14th, 1974, in the amount of

and operated Glenroy Lodge many years ago and are old-timers compared to some of us, in so far as having seen improvements in the Highways, all the new cottages, increase in businesses etc. We hope Jack's health improves.

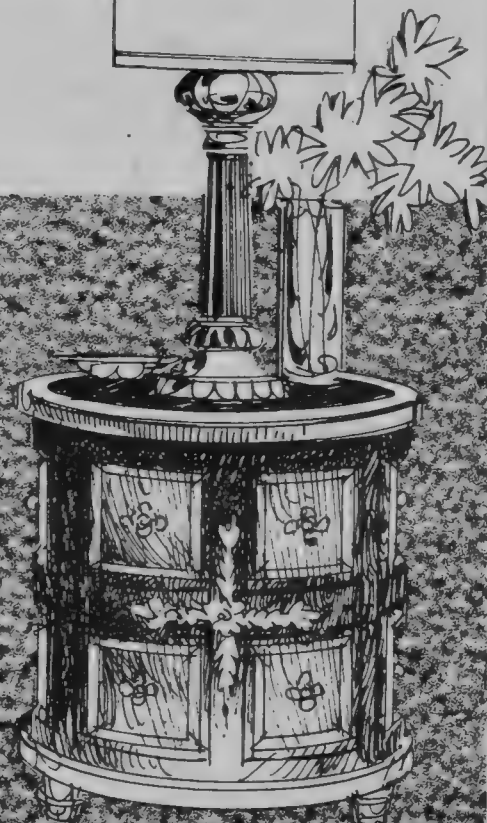

Much shovelling of roof tops is going on these days and we hope the advice of experienced natives will be heeded that if you haven't checked your cottage lately, or arranged to have someone do it for you, don't leave it too long. The snow is heavy and has built up gradually and of course ice has formed around the edges to add to the weight.

Rosemary Stinson will be attending the Commonwealth Games starting this week in New Zealand. She reports milk selling for \$.04 per pint, butter \$.30 lb. cheese the same, a side of lamb between \$4.00 and \$5.00 but canned goods and fruits are very expensive. While the country is incredibly beautiful she says we are very fortunate to live in Canada, and especially Haliburton County!

Mr. Albert Hart has returned safely from his Edmonton trip and we welcome him back.

Creative Writing

This course will allow students to study the writings of well-known fiction authors, learn the craft and techniques of good writing, and practice writing in a creative environment.

The course will focus on fiction, primarily the short story -which is an almost perfect model for the study of fiction- and will cover these areas:

- nature of the communication
- where to find ideas
- physical/psychological description
- dialogue; monologue; interior-monologue
- action
- point of view
- plot
- pace
- style

Students are asked to bring looseleaf paper, notebooks and any books containing short stories they may have.

Instructor: Julie Kennedy, B.A. (Trent)

Location: Lakeview Centre, Haliburton

Time: Tuesday evenings, 7:30 to 9:30 p.m. for 10 weeks, beginning February 12

Fee: \$15.00

Ceramics

This course will discuss the fundamentals of glaze chemistry, basic glaze materials, different types of glazes made from local materials, including ash, and the composition of clay and clay bodies.

Practical experimentation will be emphasized, and students will be encouraged to compound their own glazes.

Instructor: Gerhart Balzaureit, of Cannington

Location: Lakeview Centre, Haliburton

Time: Monday afternoons, 2:00 to 4:00 p.m. for 10 weeks, beginning February 11.

Fee: \$15.00 (Clay may be purchased at the school)

Gems of Truth

Revelation or Reason - Which? Since real scriptural truth cannot be known by reason, but by revelation alone, it follows that it is most reasonable to accept revelation as the source and first cause of all our reasoning. Reason alone is a dead cause. It must be prompted by revelation of whatever source it may be. Real truth is found in none other than in Him who by His words and life could truthfully say "I am the Way, the Truth, and the Life". John 14:6.

Such a revelation as this which the Lord Jesus Christ made must be substantiated by facts or His claim of being the Truth is not reasonable. To refuse revelation because it cannot be fully understood is unreasonable, for we would count a child foolish that say a fact is not so because the child cannot understand all about it.

Reason will never prove the existence or non-existence of God. He must reveal Himself to man or He is not known. Here is where the Word as revealed in our Lord Jesus Christ becomes the first cause. To the willing heart the Triune God stand revealed. Of such are the countless numbers of reasonable men and women

who down through the ages have accepted the revelation of God in His Word, and then as Paul says turned the world upside down with their reasoning. Acts 17:6.

Weekly Scripture Meditation: "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are His judgments, and His ways past finding out! For who hath known the mind of the Lord? or who hath seen His counsellor? Romans 11:33-34.

Food for thought: If you would walk with God you must go God's way.

\$8,207.32, representing cheques numbered 1 to 6 inclusive. Carried.

That By-law 880, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to authorize the borrowing of funds from the Canadian Imperial Bank of Commerce. Carried.

County Engineer D. Jack Cox reported on activities of the County Road System during the past year, and explained in detail projects included in the projected 1974 Road Programme and supporting budget, pointing out that the budget was in line with the predictions for this year in the original needs study.

Warden Fearrey called adjournment for noon recess at 12.15 p.m. Council reassembled at 2.00 p.m.

That the 1974 Budget for County Roads be accepted and recommended to the Budget Committee. Carried. That By-law Number 872, having been read a first and second time on the 21st day of November, 1973; and having been duly advertised for four consecutive weeks, now be considered to be read a third time, passed, signed, and the Corporate Seal attached, being a by-law

to obtain registered title to Road Allowance for County Road No. 10. Carried.

That By-law Number 879, having been read a First time, be considered read a Second and Third time, passed, signed and the Corporate Seal attached, being a by-law to confirm proceedings of the Road Committee of the Provisional County of Haliburton from June 13th, 1973 to January 8th, 1974. Carried.

Herby motion to accept the Road Report as stated. Carried.

The Clerk read correspondence as follows: Mr. Glen Hodgson, M.P.P. - making enquiries about a Centennial grant. To Haliburton Museum, Windsor, N.S.: Enquiry re. County Crest Haliburton Highlands Chamber of Commerce: Appreciation of County representation Ministry of Natural Resources: Timber Tenders, Crown Land. Glen Hodgson, M.P.P.: re. Hawk Lake Road, and reply to Mr. Hodgson about consideration Ministry of Treasury, Economics & Intergovernmental Affairs: Draft plans of subdivision Canadian Imperial Bank of Commerce: Increased Interest Rate Assoc. of Counties and Regions of Ontario: re. membership.

Be it resolved that the Clerk write to Mr. W. MacKay, Ministry of Treasury, Economic and Intergovernmental Affairs, stating that letters re. H.N. Curtiss, Minden, and Happy Hobo Developments, Dysart, respectively create duplication and that such matters should be dealt with at the level and by the council of the Municipality involved as the source of accurate information. Carried.

That the Correspondence Committee ask Council to agree in principal with the correspondence as submitted, and particularly the letters as marked and read by the clerk. Carried. Mrs. Elsie Bursey, Administrator of the Hyland Crest Senior Citizens' Home, reported on innovations in the home during the past year for the enjoyment and comfort of the residents, as well as many activities, and a successful operation with full staff co-operation. Carried.

That we accept the Hyland Crest report as presented by Mrs. Bursey. Carried. Mrs. Heather Gardiner, County Librarian, distributed Annual Reports for the Haliburton County Public Library, and discussed the operation during the past

year and the projected activities and budget for 1974. Carried.

That we accept the library report. Carried.

That the Council of the Provisional County of Haliburton recommend to the Budget Committee that an amount equal to the per capita basis be granted to the County Library Board. Carried.

Mr. Gary Agnew, Health Representative, told Council that the same services are being provided by the Haliburton Kawartha Pine Ridge District Health Unit, but with a decreased area and source of assessment because of Durham's transfer to Regional Government system. He reported on staff changes, possible changes in

responsibility, and estimated budget. Carried.

Be it resolved that the report of the District Health Unit by Mr. G. Agnew be adopted as presented. Carried.

Regional Government and Planning Committee meetings concerning restructuring of government resulted in serious discussions throughout 1973, as reported by Chairman G. Agnew, but further meetings have been deferred pending the presentation by a representative from the Ministry of Treasury Economics and Intergovernmental Affairs in February.

Mr. Louis Hodgson, Chair-

Thank-You

I would like to thank all my friends, relatives and family for their prayers, cards and beautiful gifts while I was a patient in Civic Hospital, Peterborough. Also flowers from Haliburton Red Cross, U.C.W. of Unity Church. Special thanks to Dr. Belch. Mrs. Hilda Kellett.

MASON-I would like to say thank you to all who were so kind to me while I was in hospital and since. Dr. Renten, Dr. Koval of Minden, Doctors and nursing staff of Ross Memorial Hospital, Lindsay, Minden ambulance drivers, to those who sent cards and phoned and helped in transportation for my wife and for my wife and myself. To everyone a very sincere thank you. Bruce Mason.

In Memoriam

FRANCIS-In memory of my Mother, Lenora, February 3, 1973 remembered as always. May.

In Memoriam

FRANCIS-In loving memory of our loving Mother and Grandmother Lenora Francis who passed away February 3, 1973.

It is not the tears at the graveside That tell how the heart is torn But the unseen tears of after years And remembrance silently borne. Always remembered by Ivy, Don and Ivan.

POGUE-In loving memory of a dear Father, Edward (Ted) Pogue who passed away January 25, 1971.

As Angels keep their watch up there Please God just let him know That we down here do not forget We loved and miss him so. He couldn't say good-bye to us, But perhaps it's just as well, For it would have been so hard To say good-bye to a loved one That we would not see again down here. Always remembered by son Floyd.

HOWE-Irene MacDonald Walsh, our Mother, lovingly remembered and sadly missed by daughters Wilma, Norine and Families.

In Memoriam

DAVIDSON-In proud and loving memory of our dear brother, Lieut Ross Davidson, killed in action on January 29, 1945; buried in Nijmegen Canadian Cemetery, Groesbeek, Holland. He is not dead who gave his life To make the world a better place, The memory of noble deeds The passing years cannot efface. Always in our thoughts, Bernard, Aitkens, Lauretta and Bernice.

SEDGWICK-In loving memory of Clarence Sedgwick, who passed away on January 4, 1971, and Annie Lenora Sedgwick, who passed away January 19, 1972. The rolling stream of life goes on, But still the empty chairs Remind us of the faces, the smiles Of ones who once sat there. Sadly missed Eva, Beatrice, Garnet and families.

ROBERTSON-In loving memory of our dear father, Rev. W. J. Robertson who passed away January 29, 1957. Deep in our hearts, Your memory is kept; To treasure, to love, and never forget. Lovingly remembered by Mary, Douglas, Murray, Evelyn and families.

McIntosh-In loving memory of a dear friend "Maureen" who passed away January 23, 1967. Only a memory of bygone days, And a sign for a face unseen, A constant feeling that God alone Knows just what should have been. Always remembered, Jean Stamp.

Haliburton County Council

man of the Land Division Committee, reported to Council that the number of Applications for Consent had decreased from the two previous years, and that the majority of consents granted had been for correction deeds, rights of way, or large acreages, rather than allowing property to be broken up into smaller lots.

Be it resolved that the report of Mr. L. Hodgson for the Land Division Committee be adopted as presented. Carried.

Mr. Russell and Mr. Pritchard reported on the one Emergency Measures Organization meeting.

Mr. Lloyd Walker, Chairman of the Property Committee, told Council that the buildings were in good order, and arrangements were under way for renovations to provide more space.

Mr. Reg. Booth, County Representative to the Children's Aid Society reported on meetings held by the Kawartha Haliburton Children's Aid Society.

Details as to actual cost operation of Municipal Welfare Administration have been requested but not yet received to provide a basis on which to determine projected costs for this area.

Be it resolved that the Clerk write a letter to the Counties of Victoria and Hastings and the District Municipality of Muskoka, asking if each would unite with the Provisional County of Haliburton in sending a joint delegation to interview the Minister regarding the serious increase in wolf population and the damage being caused, thereby. Carried.

Due to the oil shortage, that the Fuel Supply Companies be asked to use the railways to Haliburton, not only to save fuel but the trailers and tractor trains are a hazard on our highways in the winter months. Carried.

Mr. Robert Beeney as Chairman gave a report on findings and recommendation of the Plumbing Inspection Committee. Be it resolved that the

Plumbing Inspection report be accepted and that a copy be provided for each municipality; also that a suggested advertisement be prepared by the Committee for review at the February meeting. Carried.

That County Council ask the Engineer, Robert Chapman, of Ministry of Transportation and Communications, Huntsville, why the highways in our County are not properly ploughed and sanded and to have this corrected immediately. Carried.

That By-law No. 881, having been read a First time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to appoint members to the Land Division Committee. Carried.

That By-law No. 882, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to appoint Mr. Malcolm McGillivray to the County Road Committee for a further period of five years. Carried.

That By-law Number 883,

having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law to confirm By-law No. 70-30 of the Municipality of Dysart et al, for the purpose of closing a portion of the original road allowance - Part of lot 4, Concession 6, in the Township of Dysart. Carried.

That By-law Number 884, having been read a First time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law to confirm By-law No. 73-7 of the Township of Monmouth, for the purpose of closing a portion of the original road allowance - between Lots 20 and 21, Concessions 14 and 16, in the Township of Monmouth. Carried.

That By-law Number 885, having been read a First time, be considered read a Second and Third time,

passed, signed and the Corporate Seal attached, being a by-law to confirm By-law No. 73-63 of the Municipality of Anson, Hindon and Minden, for the purpose of stopping up, closing and selling part of a certain road allowance between Lots 10 and 11, Concession 10, Township of Minden. Carried.

That By-law Number 886, having been read a First time, be considered read a Second and Third time, passed, signed and the Corporate Seal attached, being a by-law for the purpose of closing a portion of the original road allowance between lots 25 and 26, Concession 3, in the Township of Guilford. Carried.

This Session of County Council was adjourned at 5:00 p.m.
